

SENIOR CITIZEN WHO LIVE AT 2101 LEXINGTON AVENUE, NEW YORK CITY.

We the Senior Citizen and the tenants of the building at the above address do not want Mr. Victor Delgado, the superintendent, to be suspended, removed, or terminated from this building. To us Mr. Delgado is a wonderful, respectful, and trustworthy person. He helps us with the issues and repairs in our apartments, and he is always willing to receive our packages if we ask him to do it. We have offered tips to Mr. Delgado, but he always refuses to accept anything. He keeps the building in excellent and sanitary conditions. He does a great job doing the maintenance and repairs in the building. Mr. Delgado have never entered into our apartments without our consent. We are signing this petition in behalf of Mr. Victor Delgado.

Las personas que vivimos en es edificio localizado en la direccion escrita arriba no queremos que el Sr. Victor Delgado, el superintendent, sea suspendido, removedo, or dejado fuera del trabajo. El Sr. Delgado es una persona muy buena, respetuosa, en quien podemos confiar. El siempre nos ayuda en los problemas que tenemos en nuestro apartamentos y tambien siempre arregla todas las cosas que estan malas en el apartamento. El tambien recibe nuestros paquetes cuando se lo pedimos. El Sr. Delgado mantiene el edificio en excelente y sanitarias condiciones. El nunca acepta nada que tratemos de ofrecerle por su trabajo. EXHIBIT

To whom it may concern;

On January 6th and January 7th, 2007, Miss. R. Kitture's daughter and family were moving Miss Kitture's furniture and other property out of the apartment. Miss. R. Kitture passed away. Miss Kitture's daughter did not inform Miss Davis (the building manager) nor myself, (Superintendent), that she was moving her mother's belongings and property out of the apartment.

On January 6th and 7th when the move was being done, they damaged the floors, walls and hallways as well as the elevator walls., with scrapings. I observed the damages done that weekend. On January 8th, 2007, that Monday, when Miss Davis came in, I showed her the damages done and explained to her what had happened regarding the unauthorized incident created by the move that Miss RA Kitture's daughter and family did.

Miss Davis explained to me that she spoke to Mrs. Kitture's daughter regarding the unauthorized move and damages. Miss Davis made it perfectly clear to me that she was going to deduct the damages from the security and this was never done. Miss Davis instructed me that Mrs. Kitture's daughter was to finish moving from the apartment on January 12th, 2007, Friday. She also instructed me to put in the elevator paddings and to observe the move. Miss Davis also stated that her and I had to go into the apartment, access the apartment to have it clean. She instructed me that once the move was completed for me to clean it up. This is exactly what I did. I went into the apartment with Milton the porter. We cleaned and removed what was left inside the apartment.

On January 15th, (Martin Luther king's birthday) was my day off. the plummers came to fix a heating problem in the Social Workers office. Also, both elevators went out of service. I had two leaks in apartments and I installed a towel rack in one apartment. I also stripped and waxed the lobby that day. It is my responsibility as the superintendent of the building to attend to these emergency issues, even if it's my day off. That is part of my responsibility. On that Monday, January 15th, I went to apartment 6H to Mrs. Kiture's apartment to see the conditions the apartment was left in. According to what I understood from Miss Davis, as to remove all items and clean up the apartment.

When Mrs. Kitture's daughter came back that same day, she confronted me and stated to me that she came to remove the rest of her property. I explained to Mrs. Kitture's daughter that I removed the big black garbage bag that she had left in the apartment as well as other items and I put them outside. According to what I was instructed to do by Miss Davis. Mrs. Kitture's daughter said to both Miss Davis and myself that she was giving her property to the Salvation Army and that the rest was garbage.

I went outside and I returned her property, I gave it to Mrs. Kiture's daughter. Also, when Mrs. Kitture's daughter came back, I showed her the rest of her property that pertained to her. She stated she was coming back for it, but never did. Instead, she accused me of stealing her property. I was devastated, I am not a thief. Again she stated (Mrs. kitture's daughter) that she was going to donate the property to the Salvation Army, and also that the rest was garbage. Items that were left were old, dirty clothing and a microwave that was all greasy and dirty. I am not one to jeopardize my job for this worthless garbage. I resent and I've been offended by Mr. Wilson the President of Prestige Management and Mrs. Kitture's daughter for being called a thief. I am very hurt over these false statements. I am a very respectful , decent and mature man.

EXHIBIT VI

Mr. Wilson also questioned why were the master keys in my possession, I explained to him that Miss Davis gave them to me in the event of any emergencies regarding the tenants. Mr. Wilson called Miss Davis and asked why the master keys were not left in her office, and Miss Davis answered him, she had changed her cylinder, insinuating that I was taking things from her office. This is totally a false accusation. If Miss Davis had these issues, why was I never informed. I work very hard and I have been falsely accused.

Thank you, Sincerely yours truly,

Mr. Victor Delgado
Superintendent of A. Konegay Senior Hsg.
